**Continuing Education Credit Information**
This seminar is open to the public and offers 6.5 HSW continuing education hours to architects and 6.5 PDHs to professional engineers in Idaho. Educators and courses are not subject to preapproval in Idaho.

The American Institute of Architects has approved this event for 6.5 HSW Learning Units (Sponsor No. J888). Courses approved by the AIA qualify for Idaho architects. Only full attendance can be reported to the AIA/CES.

Architects and engineers seeking continuing education credits in other states will be able to apply the hours earned at this seminar in most cases. Refer to specific state rules to determine eligibility.

The International Code Council has approved this seminar for 0.6 CEUs in the specialty area of Accessibility.

This program also offers a non-mandatory continuing education opportunity to construction contractors. It has not been approved by any contractor licensing board with a continuing education requirement.

Attention will be monitored, and attendance certificates will be available after the seminar for most individuals who complete the entire event. Attendance certificates not taken at the seminar will be mailed to participants within fifteen business days.
