Learning Objectives

You’ll be able to:

**Understand** building code background and application.

**Review** building classification and occupancy.

**Determine** requirements for the use of specific materials, including concrete, masonry, wood, steel, and glass.

**Discuss** fire resistance-rated construction and fire protection systems.

**Comply** with safety requirements during construction.

Continuing Education Credits

- Professional Engineers: 7.0 Continuing Ed. Hours
- Architects: 7.0 HSW Continuing Ed. Hours
- International Code Council: 0.7 CEUs (Building)
- Contractors: Non-Credit Continuing Ed.

Analyze requirements for specific materials and construction techniques.

Learn about the protection of workers, the public, and adjoining property during construction.

Register online at www.halfmoonseminars.org

Continuing Education Credit Information

This seminar is open to the public and offers 7.0 continuing education hours to engineers and 7.0 HSW continuing education hours to architects in all states, except Florida architects. Educators and courses are not subject to preapproval in Tennessee.

This seminar is approved by the American Institute of Architects for 7.0 HSW Learning Units (Sponsor No. 2885). Only full attendance can be reported to the AIA/CES.

HalfMoon Education is deemed an approved architect continuing education sponsor in New York. HalfMoon Education is an approved continuing education sponsor for engineers in Florida, Indiana, Maryland, New Jersey (Approval No. 24GP00000700), New York (NYSED No. 35), North Carolina, and North Dakota.

The International Code Council has approved this event for .7 CEUs in the specialty area of Building Safety.

This seminar offers a non-credit continuing education opportunity to construction contractors. It has not been approved by any state contractor licensing board for mandatory continuing education credit.

Attention will be monitored, and attendance certificates will be available after the seminar for most individuals who complete the entire event. Attendance certificates not available at the seminar will be mailed to participants within fifteen business days.

Can’t Attend? Order the CD/Manual Package:
An audio recording of this seminar is available for $289 (including shipping). Allow five weeks from the seminar date for delivery. Please refer to specific state licensing rules or certification requirements to determine if this learning method is eligible for continuing education credit.
