**Continuing Education Credit Information**

This seminar is open to the public and offers 7.0 PDHs to professional engineers and 7.0 HSW continuing education hours to architects in most states, including Mississippi. It also offers 7.0 HSW CEUs to Mississippi interior designers. Educators and courses are not subject to preapproval in Mississippi.

The American Institute of Architects has approved this course for 7.0 HSW Learning Units (Sponsor No. 18855). Only full attendance can be reported to the AIA/CES.

Architects and engineers seeking continuing education credit in other states will be able to apply the hours earned at this seminar, in most cases. Refer to specific state rules to determine eligibility.

The International Code Council has approved this event for 7 CEUs in the specialty area of Building.

This seminar offers construction contractors a non-credit continuing education opportunity. It has not been approved by any state contractor licensing board for continuing education purposes.

Attendance will be monitored, and attendance certificates will be available after the seminar for most individuals who complete the entire event. Attendance certificates not available at the seminar will be mailed to participants within fifteen business days.

*Excludes Florida architects*
