Learning Objectives

You’ll be able to:

Understand the code update process, terminology and enforcement.

Review building classification and occupancy.

Determine requirements for the use of specific materials, including concrete, masonry, wood, steel and glass.

Discuss fire resistance-rated construction and fire protection systems.

Comply with safety requirements during construction.
Jared Agee, MCP, CBO
Director of Building and Code Enforcement for St. Charles County, Missouri

Mr. Agee is the director of building and code enforcement for St. Charles County, Missouri. Previously, he worked in urban and suburban municipal governments managing building code enforcement. Prior to his public sector positions, he worked in the construction industry in design and project management. Mr. Agee has an undergraduate degree in Architectural and Mechanical Design and a graduate degree in Public Administration and Policy Analysis. As a Master Code Professional, he is one of approximately 800 people to obtain the highest level of certification from the International Code Council.

Continuing Education Credit Information
This seminar is open to the public and offers 7.0 PDHs to engineers in all states and 7.0 HSW CEUs/continuing education hours to architects in most states, including Missouri. Educators and courses are not subject to preapproval in Missouri.

This seminar is approved by the American Institute of Architects for 7.0 HSW Learning Units (Provider No. 3885). Only full attendance can be reported to the AIA/CEUs.

HalfMoon Education is deemed an approved continuing education sponsor for New York architects. HalfMoon Education is an approved continuing education provider for engineers in Florida, Indiana, Maryland, New Jersey [Approval No. 24GP00000700], New York (NYSED Sponsor No. 33), North Carolina, and North Dakota.

The International Code Council has approved this activity for 7.0 CEUs in the specialty area of Building.

This course offers a non-credit continuing education opportunity to construction contractors. It has not been approved by any state contractor licensing entity for mandatory continuing education credit.

Attendance will be monitored and attendance certificates will be available after the seminar for most individuals who complete the entire event. Attendance certificates not available at the seminar will be mailed to participants within fifteen business days.

Can’t Attend? Order the CD/Manual Package:
An audio recording of this seminar is available for $289 (including shipping). Allow five weeks from the seminar date for delivery. Please refer to specific state licensing rules or certification requirements to determine if this learning method is eligible for continuing education credit.
