Faculty

Art Pakatar, LEED Green Associate, CEA *Stonehenge Associates*

Mr. Pakatar is the principal of Stonehenge Associates, a firm dedicated to the built environment. He is an industry veteran with several years of experience teaching home performance and construction-related topics. Mr. Pakatar holds certifications from the International Code Council, the Association of Energy Engineers, the Building Performance Institute, the U.S. Green Building Council and Resnet. He is a certified code enforcement officer in New York State and holds the energy code inspector and plans examiner designations with ICC.

Over the past 10 years, Mr. Pakatar has prepared and delivered training to code enforcement officers, design professionals and other construction industry stakeholders throughout the Northeast and Mid-Atlantic regions. He has taught throughout the United States. Having participated in creating protocols for several pertinent topics, he is considered a subject matter expert.

His company, Stonehenge Associates, is a member of International Code Council, ASHRAE, the Association of Energy Engineers (AEE), Northeast HERS Raters, Capital Region Builders and Remodelers Association, New York State Builders Association and the National Association of Home Builders.

Continuing Education Credit Information

This seminar is open to the public and offers 7.0 continuing education hours to professional engineers and 7.0 HSW continuing education hours to architects in most states. Continuing education is not mandatory in Connecticut.

HalfMoon Education is deemed an approved continuing education sponsor for New York architects. HalfMoon Education is an approved continuing education sponsor for engineers in Florida, Indiana, Maryland, New Jersey (Approval No. 24GP00000700), New York (NYSED Sponsor No. 35), North Carolina, and North Dakota.

This seminar is approved by the American Institute of Architects for 7.0 HSW Learning Units (Sponsor No. J885). Only full attendance can be reported to the AIA/CES.

This seminar is approved by the International Code Council for .7 CEUs in the specialty area of Building.

This course offers a non-credit continuing education opportunity to contractors. It has not been approved by any state contractor licensing entity for required continuing education credit.

Attendance will be monitored, and attendance certificates will be available after the seminar for most individuals who complete the entire event. Attendance certificates not available at the seminar will be mailed to participants within fifteen business days.

Can't Attend? Order the Manual and Audio from the Live Seminar as a Self-Study Package!

Audio recordings of this seminar are available for purchase starting at \$269. See registration panel for more information and please refer to specific state licensing rules or certification requirements to determine if this learning method is eligible for continuing education credit.
