Learning Objectives

You’ll be able to:

Define the purposes of and methodologies for construction cost estimates.

Understand the estimating process, data resources and the role of the estimating team.

Handle estimates for labor, equipment, materials, services, overhead and profit.

Estimate excavation, concrete, steel, wood, masonry, plumbing and electrical services.

Review industry-standard construction cost estimating software.

**Faculty**

Reginald Jeter, P.E. is the professional-in-residence for the Construction Engineering Technology Program at Louisiana Tech University. Prior to joining Louisiana Tech in December 2015, Mr. Jeter worked more than 28 years as an estimator and project manager for several highway and heavy construction companies. Much of that time he was the chief estimator for the various companies.

Mr. Jeter holds 8 degrees in Construction Engineering Technology and Engineering and an MS degree in Civil Engineering from Louisiana Tech University. He is a licensed professional civil engineer in Louisiana and Mississippi.

Mr. Jeter is a past-president of the Shreveport Chapter of the Louisiana Society of Professional Engineers and serves as northeast district chairman for Louisiana AGC. He was voted Most Outstanding Engineer in Louisiana and Mississippi.

Mr. Jeter is a past-president of the Shreveport Chapter of Louisiana Society of Professional Engineers and serves as northeast district chairman for Louisiana AGC. He was voted Most Outstanding Engineer in Louisiana and Mississippi.

**Seminar Information**

Courtyard Shreveport-Bossier City
100 Boardwalk Blvd.
Bossier City, LA 71111
(318) 742-8300

**Tuition**

$289 for individual registration  
$269 for three or more registrants from the same company.

Included with your registration:
- Complimentary continental breakfast and printed seminar manual.

**How to Register**

- Visit us online at www.halfmoonseminars.org.
- Mail-in or fax the attached form to 715-835-6066.
- Call customer service at 715-835-5900.

Cancellations: Cancel at least 48 hours before the start of the seminar, and receive a full tuition refund, minus a $39 service charge for each registrant. Cancellations within 48 hours will receive a credit toward another seminar or the self-study package. You may also send another person to take your place.

**Additional Learning**

- **Webinar Series**
  - National Electrical Code, Part I  
  - National Electrical Code, Part II  
  - National Electrical Code, Part III  
  - Commercial Solar Peaker Batteries, Part I  
  - Commercial Solar Peaker Batteries, Part II  

Handling Ethical Issues in Professional Engineering Practice  
Fri., March 15, 2019, 11:00 AM - 12:00 PM CDST  
For more information and other online learning opportunities visit: www.halfmoonseminars.org/webinars/

**Continuing Education Credit Information**

This seminar is open to the public and offers 6.5 PDHs to professional engineers and 6.5 HSW continuing education hours to architects in all states. Educators and courses are not subject to preapproval in Louisiana.

The American Institute of Architects has approved this event for 6.5 HSW Learning Units (Sponsor No. J885). The Louisiana State Board of Architectural Examiners accepts programs approved by the American Institute of Architects. Only full attendance can be reported to the AIA/CES.

HalfMoon Education is an approved educational sponsor for engineers in Florida, Indiana (License No. CE27100059), Maryland, New Jersey (Approval No. 24G000010700), New York (NYSED Sponsor No. 35), North Carolina, and North Dakota. HalfMoon Education is deemed an approved continuing education sponsor for New York architects.

This course offers a non-credit continuing education opportunity for construction contractors, but it is not approved in any state with a contractor continuing education requirement.

Attendance will be monitored, and attendance certificates will be available after the seminar for most individuals who complete the entire event. Attendance certificates not available at the seminar will be mailed to participants within fifteen business days.

**Can't Attend?** Order the Manual and Audio from the Live Seminar as a Self-Study Package!

Audio recordings of this seminar are available for purchase starting at $269. See registration panel for more information and please refer to specific state licensing rules or certification requirements to determine if this learning method is eligible for continuing education credit.
