The Fundamentals of the VEBC
- Alterations Level 2
- Alterations Level 3
- Change of occupancy

The Rest of the VEBC
- Additions
- Historic buildings
- Compliance alternative

The Case Studies Utilizing the VEBC

Learning Objectives

You’ll be able to:

Identify the purpose and scope of the Virginia Existing Building Code (VEBC).

Discuss accessibility and repairs.

Examine code provisions on alterations.

Explore the process of change of occupancy.

Learn how to handle building additions.

Review case studies utilizing the VEBC.

Can’t Attend? Order the Manual and Audio from the Live Seminar as a Self-Study Package!

Audio recordings of this seminar are available for purchase starting at $269. See registration panel for more information and please refer to specific state licensing rules or certification requirements to determine if this learning method is eligible for continuing education credit.

J. Kenneth Payne Jr., AIA, LEED BD+C
Vice President of Quality Control, Risk Management and Training at Moseley Architects

Mr. Payne is the "Dean" of Moseley University and has represented AIA-VA since 2000 on workgroups promulgating the building code, including the recent adoption of the 2015 VUSBC. He was instrumental in drafting the "rewrite" of the 2015 Virginia Existing Building Code. Mr. Payne is an existing building code instructor at the J. A. Proctor Virginia Building Code Academy and worked with the Academy committee that developed the 2017 VEBIC update and regular training module and content for all code enforcement officials and reviewers. He was recently appointed by the governor of Virginia to serve on the State Building Code Technical Review Board and has been recognized for his efforts in code development with the following awards: "Presidential Citation" by AIA Virginia, "Jack A. Proctor Meritorious Service Award for Registered Design Professionals" by the Virginia Building Code Officials Association (VBCOA), and "Award for Distinguished Achievement" by AIA Virginia. Mr. Payne has presented in many venues, including VBCOA annual education conferences, AIA Virginia Architectural Exchange East conventions, Virginia Fire Prevention Association training conference, Virginia Governor’s Housing Conference, Sepsic national symposiums, CEPFI regional conference, the National AIA Convention and numerous local building departments and VBCOA regional meetings.

Seminar Information

Four Points by Sheraton
9001 Midlothian Turnpike
Richmond, VA 23235
(804) 323-1144

For availability and job description, please visit www.halfmoonseminars.org.

Registration

$289 for individual registration
$269 for three or more simultaneous registrations.

Each registration includes a complementary continental breakfast and printed seminar manual. Registration does not include a copy of the Code itself.

Receive a reduced tuition rate of $107! by registering to be our on-site coordinator for the day.

How to Register

• Visit us online at www.halfmoonseminars.org
• Mail-in or fax the attached form to 715-835-6066
• Call customer service at 715-835-5900

Cancellations: Cancel at least 48 hours before the start of the seminar, and receive a full tuition refund, minus a $39 service charge for each registrant. Cancellations within 48 hours will receive a credit toward another seminar or the self-study package. You may also send another person to take your place.

Tuition

Continuing Education Credit Information

This seminar is open to the public and offers 7.0 (HSW) continuing education hours to architects and 7.0 continuing education hours to engineers in most states, including Virginia. Educaters and courses are not subject to preapproval in Virginia.

This event has been approved by the American Institute of Architects for 7.0 HSW Learning Units (Sponsor No. J885). Only full attendance can be reported to the AIA.

Architects and engineers seeking continuing education credit in other states will be able to apply the hours earned at this seminar, in most cases. Refer to specific state rules to determine eligibility.

The International Code Council has approved this program for .7 CEUs in the specialty area of Building. The DCUC has approved this program for .7 CEUs in the specialty area of Building.

This course offers 7.0 continuing education hours to DCUC building officials, property maintenance officials, and technical assistants employed by a jurisdiction. Educaters and courses are not subject to preapproval.

This seminar offers a continuing education opportunity to construction contractors but has not been approved by any state contractor entity.

Attendance will be monitored, and attendance certificates will be available after the seminar for most individuals who complete the entire program. Attendance certificates not available at the seminar will be mailed to participants within fifteen business days.

Can’t Attend? Order the Manual and Audio from the Live Seminar as a Self-Study Package!

Audio recordings of this seminar are available for purchase starting at $269. See registration panel for more information and please refer to specific state licensing rules or certification requirements to determine if this learning method is eligible for continuing education credit.
