Faculty

Wendy Lathrop, PLS, CFM

President and Owner of Cadastral Consulting, LLC

Ms. Lathrop is licensed as a professional land surveyor in New Jersey, Pennsylvania, Delaware, and Maryland, and as a professional planner in New Jersey. She holds a master's degree in Environmental Policy, and has been involved in surveying since 1974 in projects ranging from construction to boundary to environmental land use disputes.

Ms. Lathrop is also a certified floodplain manager through the Association of State Flood Plain Managers (ASFPM). A former adjunct instructor at Mercer County College in New Jersey, she has also taught as part of the team for the licensing exam review course at Drexel University in Pennsylvania. Ms. Lathrop has been teaching seminars for surveyors since 1986 and has been writing articles for surveyors since 1983. She is a contributing editor for *The American Surveyor* magazine, and she has four articles included in the American Bar Association's text, *Land Surveys: A Guide for Lawyers and Other Professionals*. She and Stephen V. Estopinal, PLS, PE co-authored a book entitled *Professional Surveyors and Real Property Descriptions: Composition, Construction, and Comprehension*, published by John Wiley & Sons, Inc. in 2011. She is also on the faculty of GeoLearn, a web-based educational provider. Ms. Lathrop is a past president of the New Jersey Society of Professional Land Surveyors and of the National Society of Professional Surveyors, and she has served on the Board of Directors for the American Association for Geodetic Surveying.

Continuing Education Credit Information

Each of these webinars offer professional engineers and professional land surveyors 1.5 professional development/continuing education hours. These webinars are designed to qualify for continuing education credit in all states.

HalfMoon Education is an approved continuing education sponsor for professional land surveyors and engineers in Indiana, Maryland, North Carolina, and North Dakota. HalfMoon Education is also an approved continuing education provider for Florida and New Jersey engineers (Approval No. 24GP00000700).

These webinars have been approved for Florida, Tennessee, and Texas land surveyors. Course approval is pending for Kentucky, Missouri, and New Jersey land surveyors. Other states do not require preapproval of continuing education providers or activities.

HalfMoon Education Inc. is deemed an approved sponsor of continuing education for New York engineers and land surveyors (Regulations of the Commissioner §68.14(i)(2) and §68.15(i)(2))

These webinars offer continuing education credit to architects in most states. The American Institute of Architects Continuing Education System has approved a total of 4.5 LU|HSW and 1.5 LU|Elective (The Physical Evidence and Boundaries webinar is not designated HSW).

In order to obtain a continuing education certificate, each licensed participant must be logged on to his or her own computer and complete a quiz following each presentation. Certificates will not be issued to multiple participants on one computer.
