Learning Objectives
You’ll be able to:

Comply with the 2018 North Carolina Existing Building Code provisions for building repairs and alterations.

Comply with Code provisions for change of occupancy, means of egress, and building elements.

Understand Code provisions on structural requirements, heights and building additions.

Explore Code provisions on historic buildings and moved or relocated buildings.

Identify provisions for three Code compliance methods: prescriptive, work area, and performance.
Jeffrey D. Vernon, MCP, CBO
Building Code Administrator with Mecklenburg County Code Enforcement

Mr. Vernon is a master code professional and a certified building official, and he holds North Carolina Level III certifications in all five trades (building, electric, mechanical, plumbing and fire). Mr. Vernon has been working in the construction industry for 38 years, beginning with a six-year stint in the US Army where he served in Germany, Honduras, Alabama and at the US Army Engineer School in Ft. Belvoir, Virginia. He has worked in Prince William County in Virginia and in Lincoln, Gaston and Mecklenburg Counties in North Carolina. Through the years, he has been an inspector, a plan reviewer, a senior plan reviewer, and a department director among other job titles. Mr. Vernon is currently employed by Mecklenburg County Code Enforcement where he serves as the building code administrator. He has also been a part-time instructor at Central Piedmont Community College for the past ten years, and he serves as code consultant for University of North Carolina’s fifth year Architecture students. Mr. Vernon is also an ordained bishop.
