John Palmer
PlanetCare Landscape and Arboricultural Services - Lakewood, OH
Mr. Palmer is a consulting arborist, certified by the International Society of Arboriculture, and an advanced tree risk assessor. He is an author, speaker, and trainer, on subjects including the future of urban forestry. Deferestration By Design™ is the new construction paradigm, and the leadership laws of nature. His focus is on trees in urban and construction environments, soil deficiencies and the importance of soils for sustainable mature trees, increasing urban tree canopies by ensuring trees live to maturity, and unsustainable landscape designs. His areas of expertise include young tree training, proper pruning and planting practices, biomechanics, soil and water management, urban forestry, tree biology, and healthy root system development.

Here’s what a past attendee had to say about presenter John Palmer:
“Great speaker-dynamic & passionate about trees and tree science.”
