Learning Objectives

You’ll be able to:

Review state law on private easements, and get tips on creating, maintaining and terminating easements.

Understand rights and responsibilities associated with utility easements, including easements for electricity, water, natural gas and telecommunications.

Get an overview of the eminent domain process.

Learn about special issues with partial eminent domain “takings,” and learn how “just compensation” is determined.

Define trespass, and learn about the history of adverse possession in California.
