Can’t Attend? Order the Manual and Audio from the Live Seminar as a Self-Study Package! Audio recordings of this seminar are available for purchase starting at $279. See registration panel for more information and please refer to specific state licensing rules or certification requirements to determine if this learning method is eligible for continuing education credit.

Learning Objectives

You’ll be able to:

Explore biological requirements for plant growth, and discuss biological design strategies that impact health and growth.

Examine tree biology and health

Discuss trees as elements of design and not obstacles or afterthoughts

Develop tree canopy cover in urban design

You can read more about the course content and learning objectives on the website www.halffmoonseminars.org.

Cancellations within 48 hours will receive a refund, minus a $39 service charge for each registrant.

Controlling Education Credit Information
This seminar is open to the public and offers 7.0 PDHs to professional engineers in most states and 7.0 HSW continuing education hours to architects and landscape architects in most states. Educators and courses are not subject to preapproval for Maine engineers. Continuing education is not mandatory for Maine architects and landscape architects.

This program has been approved by the American Institute of Architects Continuing Education System for 7.0 LU|HSW (Sponsor No. J885) and the Landscape Architect Continuing Education System for 7.0 HSW PDHs. Visit www.halfmoonseminars.org for complete AIA/CES information under this course listing. Only full attendance is reportable to AIA/CES and LA CES.

HalfMoon Education is an approved continuing education sponsor for engineers in Florida, Indiana, Louisiana, Maryland, New Jersey (Approval No. 24GP00000700), North Carolina, and North Dakota. HalfMoon Education is deemed an approved continuing education provider for New York engineers, architects and landscape architects.

This seminar is approved for 7 CM credits with the American Institute of Certified Planners. Only full attendance is reportable to AICP.

This program has been approved by the International Society of Arboriculture for course approval, which is pending. Visit www.halfmoonseminars.org for credit updates under this course listing or email dsog@halfmoonseminars.org to request notification of the ISA determination.

This seminar also offers a non-credit continuing education opportunity to contractors, but it has not been approved by any state contractor licensing entity.

Attendance will be monitored, and attendance certificates will be available after the seminar for most individuals who complete the entire event. Attendance certificates not available at the seminar will be mailed to participants within fifteen business days.
