Continuing Education Credit Information
This seminar is open to the public and offers 6.5 PDHs/continuing education (HSW) to architects and 6.5 PDHs to professional engineers in most states, including South Dakota. Educators and courses are not subject to pre-approval in South Dakota.

The American Institute of Architects Continuing Education System has approved this event for 6.5 LUs|HSW (Sponsor No. A1004). Visit www.halfmoonseminars.org for complete AIA/CES course information under this seminar listing. Full attendance is recommended to satisfy the AIA/CES criteria.

Architects and engineers seeking continuing education credit outside South Dakota will be able to claim the hours earned at this seminar, in many cases. Refer to specific rules to determine eligibility. HalfMoon Education is a Preferred Provider with the International Code Council (No. 1232), and is approved for 6.5 CEUs in the specialty area of Building.

This seminar also offers a non-credit continuing education opportunity to contractors. It has not been submitted for approval in any state with a contractor continuing education requirement. Attendance will be monitored, and attendance certificates will be available after the seminar for most individuals who complete the entire event. Attendance certificates not available at the seminar will be mailed to participants within fifteen business days.

Can’t Attend? Order the Manual and Audio from the Live Seminar as a Self-Study Package!
Audio recordings of this seminar are available for purchase starting at $279. Visit registration panel for more information and please refer to specific state licensing rules or certification requirements to determine if this learning method is eligible for continuing education credit.
