Presented by Kristi J. Avalos, President and CEO of Accessology Too, LLC

Designing for Accessibility under TAS, ADA Standards and IBC
Tuesday, August 25, 2020 | 11:00 am - 2:45 pm CDT (including a 15-min. break)

Designing for Accessibility under TAS, ADA Standards and IBC
Wednesday, August 26, 2020 | 11:00 am - 2:45 pm CDT (including a 15-min. break)

You’ll be able to:

**Comply** with accessibility standards/regulations in the ADA Standards for Accessible Design, the Texas Accessibility Standards and the International Building Code.

**Identify** requirements for new construction and alterations.

**Comply** with accessibility requirements for ramps, stairways, entrances and doors.

**Understand** accessibility requirements for showers, toilet facilities, assembly areas and egress routes.

Complying with Federal and State Accessibility Requirements
History and development of the Texas Accessibility Standards (TAS)
History and development of the International Building Code (IBC)
Development of the Americans with Disabilities Act Standards for Accessible Design
Relationship between ADA federal requirements, IBC and TAS
Entities and facilities that are covered
Scoping requirements
Readily-achievable barrier removal
Alterations
New construction
New policies and procedures
Safe harbors

Define the relationship between the ADA Standards, IBC Accessibility requirements and the TAS
Meet requirements for new construction and existing buildings

Professional Engineers
7.0 PDHs

Architects
7.0 HSW CEPHs/CE Hours
7.0 AIA LU|HSW

International Code Council
7.0 CEUs (Accessibility)

Texas Code Enforcement Officials
7.0 CE Hours

Contractors
Non-Credit Continuing Ed.

You’ll be able to:

**Comply** with standards for doors, entrances, ramps and stairs

**Review** new materials and technologies

Additional Learning

**Webinar Series**

**Designing for Accessibility under ADA Standards and IBC**
- Tues., August 4, 2020, 10:00 am - 1:15 pm CDT

**Construction Auditing**
- Wed., August 12, 2020, 11:00 am - 2:30 pm CDT

**Misture Intrusion Shortcuts**
- Thurs., August 13, 2020, 11:00 am - 2:45 pm CDT

**Shallow Foundation Design, Construction, and Repair**
- Wed., August 12, 2020, 11:00 am - 2:45 pm CDT

**Structural Design Loads under the ASCE 7 Standard**
- Wed., August 12, 2020, 11:00 am - 2:45 pm CDT

**Architectural Application for Means of Egress**
- Wed., August 12, 2020, 8:30 am - 5:00 pm CDT

**The Arborist Short Course: Advanced Tree Knowledge for Better Tree Care**
- Wed., August 12, 2020, 11:00 am - 3:00 pm CDT

**Structural Forensic Engineering**
- Wed., August 12, 2020, 11:00 am - 2:45 pm CDT

Continuing Education Credit Information

This webinar is open to the public and offers 7.0 PDHs to Texas professional engineers and 7.0 HSW CEHs, including the required 1.0 hour of barrier-free design. Educators and courses to Texas architects are not subject to preapproval in Texas. The American Institute of Architects Continuing Education System has approved this event for 7.0 LU/HSW (Sponsor No. 388S). Visit www.halfmoonseminars.org for complete AIA/CES course information under this seminar listing. Only full attendance is reportable to the AIA/CES.

Professional engineers and architects seeking continuing education credit in states other than Texas will be able to claim the hours earned at this seminar, in most cases. Refer to specific state rules to determine eligibility.

The Texas Code Enforcement Officer Registration Program has approved HalfMoon Education as a continuing education provider. This course offers 7.0 continuing education hours.

The International Code Council has approved this program for 0.7 CEUs in the specialty area of Accessibility (HalfMoon Education Provider Number 1232). This seminar offers contractors a non-credit continuing education opportunity. It has not been submitted to any state contractor licensing entity for continuing education approval.

Course completion certificates will be awarded to participants who complete the webinar in its entirety, respond to all the verification prompts during the instruction, and earn a score of 80% on the quiz that follows the instruction (multiple attempts allowed).

**Registration**

**Designing for Accessibility under TAS, ADA Standards and IBC**

**Live, Interactive Webinar - Tuesday, August 25 and Wednesday, August 26, 2020**

- Tuition: $199 for individual registration
- $299 for three or more registrants from the same company at the same time.

**Included with your registration: PDF seminar manual.**

**How to Register**

Visit our website at www.halfmoonseminars.org and follow the attached form to 715-835-6066.

Call customer service at 715-835-5900

Webinars are presented via GoToWebinar. Instructions and login information will be provided in an email sent close to the date of the webinar. For more information, please visit our FAQ section of our website, or visit www.gotowebinar.com.

Cancellations: Canceled at least 48 hours before the start of the webinar, and receive a full tuition refund, minus a $59 service charge for each registrant. Cancellations within 48 hours will receive a credit toward another webinar. You may also authorize another person to take your place.

**Can't Attend? Order the Webinar as a Self-Study Package!**

- Complete the entire form. Attach duplicates if necessary.
- **How to register:**
  - Online: www.halfmoonseminars.org
  - Fax: 715-835-6066

**Tuition**

**I will be attending the live webinar.** Single Registrant - $299.00. Three or more registrants from the same company registering at the same time - $199.00 each.

**I am not attending.** Please send me the webinar recording:

- **Streamable MP4 Video/PDF Manual**
- **USB Video/PDF Manual**

**Checks:** Make payable to HalfMoon Education Inc.

**Credit Card:** Mastercard, Visa, American Express, or Discover
